## Welcome to Worship

The 60<sup>th</sup> Session of the General Conference of Seventh-day Adventists concluded last week in San Antonio. What is the *take-away* from this 10-day event? Today Pastor Nancy shares her first-hand experience of these historic meetings. As expected, many agenda items were voted on—*election of leaders, fine-tuning theological statements, policies & procedures*. It is interesting to note that there were differences of opinion on nearly every item brought to the delegates for their vote. So how can a church of diverse cultures and perspective unite to fulfill their calling of taking the Gospel to the entire world? This morning we will explore that very question. Blessings as we worship together!
