“I’m in the sound!”

Did you know sound travels 4 ½ times faster in water than in air? It is true! If you are immersed in water it is impossible to tell from which direction sound comes... because of its speed. You literally are, as scuba divers say, “In the sound.” What a wonderful way to describe God’s presence with us every moment of our lives. David had this thought in mind when he said:

“Where can I go from your Spirit? Where can I flee from your presence? If I go up to the heavens, YOU [are there]; if I make my bed in the depths, YOU [are there]. If I rise on the wings of the dawn [YOU]; if I settle on the far side of the sea, [YOU], even there your hand will guide me, your right hand will hold me fast.” Psalm 139:7-10.

To David God was everywhere. He was “in the sound!!”
