From the Pastor’s Heart

Have you ever known—absolutely known—you were getting it right only to discover you got it all wrong? Ever looked at “the facts” and drawn the obvious and rational conclusion and then found out that something entirely different was taking place? Today in our worship hour message we continue our sermon series, New Year – New Life. We will explore both sides of this human dilemma... getting it wrong and then, praise God, getting it absolutely right.

Today we know these things are right... That we are God’s children; He loves us so much He allowed Jesus to die for us; we are forgiven; we are new creations in Christ; Jesus is coming again to bring us home... and so much more. This Sabbath may we—through our Bible Fellowship Group, through our Family Worship Service, and through fellowship together—truly know what is right, Jesus!

Pastor Lloyd
