From the Pastor’s Heart

Jesus is coming very soon! Our earth is a planet in upheaval. Are you reading for the Appearing? Since the beginning of recorded time, cultures across the globe have predicted the end of our world. As global unrest and natural disasters across the planet build in intensity and frequency, many are left wondering if the time is near. We are privileged to join Shawn Boonstra from the Voice of Prophecy tonight through Tuesday evening as he explores the myths and facts that surround the Second Coming of Jesus.
