From Your Pastors

Pastor Nancy and I have been immeasurably blessed by the ministry of our WWU theology student interns in our district this past school year—as we know you have been, too. Seth Cantu, Aurora Gault, and Angelo Simorangkir have provided excellent leadership. During this unprecedented time of a national (and world-wide) pandemic they have learned, along with us, how to be...a church member as well as lead in a church...when everything seems to be radically turned upside down. Sabbath services? Prayer meetings? Leadership meetings? Bible studies and evangelism? Visitation of members, guests and interests? Fellowship meals—all these, and much more have had to be radically adjusted. Seth, Aurora, and Angelo have all adjusted with us seamlessly. We have been so blest by their ministry to and with us and know that God will continue to lead them in their lives of service for Him and others.
